

CBI Bank & Trust

Online Banking Agreement

This Online Banking Agreement, including, as applicable, any related Enrollment Form, the signature card, rate and fee schedule, and any applicable Deposit Account Agreement, Service Agreement, and other instructions and the terms and conditions contained herein relating to specific Online Banking and Cash Management Services (collectively, the “Services”) that may be provided in connection herewith (collectively, this “Agreement”), sets forth the terms and conditions governing the provision of the Services by CBI Bank & Trust (“Financial Institution,” “we,” “our,” “ours”) to you or anyone authorized by you (collectively, “Client,” “you,” “your,” “yours”) and describes your and our rights, responsibilities and obligations. The Enrollment Form for Services is made an integral part of this Agreement. By completing and submitting the Enrollment Form, and/or using one or more of the Services, Client agrees to, and shall be bound by, the terms, conditions and provisions in this Agreement, including those for each Service which Client has selected. Financial Institution, in its sole discretion, may elect not to permit Client to use the Service until Financial Institution has determined that Client has accepted or executed the applicable documentation and otherwise provided appropriate information and specifications for the use of the Service, and until Financial Institution has had a reasonable opportunity to review the Enrollment Form and activate the Service. In any event, Client agrees that the use by Client of any Service shall, without any further action or execution or acceptance of any documentation on the part of Client, constitute Client’s acceptance of and agreement to Financial Institution’s terms and conditions for the use of such Service as may be in effect as of the time of such usage, whether set forth in this Agreement, any applicable Service Agreement or otherwise prescribed by Financial Institution. In the event of a conflict between the terms of this Agreement and those of any Enrollment Form or Service Agreement, the terms of the Enrollment Form or Service Agreement, as applicable, shall govern and control with respect to the Service at issue. Capitalized terms not otherwise defined in the Agreement are defined in Exhibit B at the end of the Agreement. In order to activate the Service, you must have at least one Account with us linked to the Service.

Therefore, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, you and Financial Institution, intending to be legally bound, do hereby agree as follows:

Article I. Setup and Use of Online Access Services.

1.1. Eligibility.

To have access to the Services you must be an authorized user of the Software you select, if required for use with your selected Hardware (as defined in Section 1.4, below). You must also have at least one Eligible Account (as defined below) with us. Accounts which are “linked” under the Services will have one common owner and signer. Any signer, acting alone, must be authorized to access a linked account. Any non-linked account will not be accessible through the Service. ID(s) and Password(s) collectively are referred to as the “Access Codes”. For Internet Banking (also known as “Personal” Online Banking), you must designate a User ID and Password which will be required to gain access to the Service. For Business Online Banking, prior to your first use of a Service, the Financial Institution will assign you a Company ID, Company Password, and User ID and User Password, required to gain access to Business Online Banking. The Business Online Banking system will ask you to change your Passwords the first time that you use the system.

“Eligible Accounts” include the following:

1. Checking (Demand Deposit) Accounts
2. Savings Accounts
3. Money Market Accounts
4. Loans
5. Certificates of Deposit

1.2. Security Procedure.

The use of the Access Code, in addition to other authentication methods described below, is a security procedure established by Financial Institution to authenticate the identity of the person attempting to gain access to the Service. The security procedure is not designed for the detection of errors. We may require you to change your Access Code from time to time for security reasons. You should keep your Access Code in a secure location. Any person having access to your Access Code will be able to access these Services and perform all transactions, including reviewing Account information and making Transfers to other Accounts and to other persons. You are solely responsible for safeguarding the Access Codes. Providing these Access Codes to another person effectively constitutes a grant of authority to access your accounts. You acknowledge that the Financial Institution has no liability whatsoever for any unauthorized use of your Access Code.

- 1.2.1. You agree to comply with all security procedures Financial Institution directs you to use (collectively, “Security Procedures”), and you acknowledge and agree that the Security Procedures, including (without limitation) any Access Code, password, personal identification number, user identification technology, token, certificate, layered security, or¹

other element, means, or method of authentication or identification used in connection with a Security Procedure (“Security Devices”), constitute commercially reasonable security procedures under applicable law for the initiation of the Services you utilize, including without limitation, transfers and access to confidential information. You authorize us to follow any and all instructions entered and transactions initiated using applicable Security Procedures unless and until you have notified us, according to notification procedures prescribed by us from time to time, that any Security Device has been stolen, compromised, or otherwise become known to persons other than you or your representative(s) and until we have had a reasonable opportunity to act upon such notice. You agree that the initiation of a transaction or instructions using applicable Security Procedures constitutes sufficient authorization for Financial Institution to execute such transaction or instruction notwithstanding any particular designation by you of authorized persons or signature requirements identified on any signature card or other documents relating to your Account maintained with Financial Institution, and you agree and intend that the submission of transactions and instructions using the Security Procedures shall be considered the same as your authorized written signature in authorizing us to execute such transaction or instruction. You acknowledge and agree that you shall be bound by any and all transactions initiated through the use of such Security Procedures, whether authorized or unauthorized, and by any and all transactions and activity otherwise initiated by you, to the fullest extent allowed by law. You further acknowledge and agree that the Security Procedures are not designed to detect error in the transmission or content of communications or transaction initiated by you and that you bear the sole responsibility for detecting and preventing such error.

1.2.2. For Business Online Banking, you agree to appoint and designate an administrator (the “Administrator”) who will be authorized and responsible for creating and maintaining subsequent Access Codes and tokens on your behalf, including assigning and revoking access privileges for persons to use the Service (each, a “User”), and providing new and subsequent Security Devices to those Users. Financial Institution will provide Client’s designated Administrator, through United States postal mail and/or other delivery service selected by Financial Institution at Financial Institution’s option, with a Company ID, Company Password, User ID and User Password, and any tokens to be distributed by the Administrator to each User with respect to one or more of the Services. Client understands that the Administrator has the capability of providing administrative privileges identical to that of the Administrator to any User, including the ability to create and maintain subsequent User accounts and assigning and revoking access privileges. If these privileges are granted by the Administrator to a User, that User will also be considered an Administrator. Client acknowledges that any Administrator shall have the ability to control security levels such as Service access and Service transaction limits, including without limitation the ability to assign dollar amount limits to ACH origination. You also agree that the Administrator or any User shall also have the authority on behalf of Client to electronically accept and approve any and all agreements and amendments to agreements by and between Financial Institution and Client, including but not limited to this Agreement.

1.2.3. You agree to keep all Security Procedures and Security Devices protected, secure, and strictly confidential and to provide or make available the same only to your authorized representative(s). You agree not to disclose or provide any Security Procedures or Security Devices to any unauthorized person. You also agree that Users shall not share Security Devices with each other. Where you have the ability to change or modify a Security Device from time to time (e.g., an Access Code), you agree to change Security Devices frequently in order to ensure the security of the Security Device. You agree to notify us immediately, according to notification procedures prescribed by us from time to time, if you believe that any Security Procedures or Security Device have been stolen, compromised, or otherwise become known to persons other than you or your authorized representative(s) or if you believe that any transaction or activity is unauthorized or in error. In the event of any actual or threatened breach of security, we may issue you a new Security Device or establish new Security Procedures as soon as reasonably practicable, but we shall not be liable to you or any third party for any delay in taking such actions. You agree to indemnify, defend all claims, and hold Financial Institution harmless from any loss, damages, or expenses, including but not limited to attorney’s fees and court costs, directly or indirectly caused by you, any User or Subuser, or your employees’, or agents’ failure to keep the Security procedures or Security Device confidential and secure.

1.2.4. You agree to notify us immediately, according to notification procedures prescribed by us from time to time, if the authority of any authorized representative(s) shall change or be revoked. You shall recover and return to us any Security Devices in the possession of any of your authorized representative(s) whose authority to have the Security Device has been revoked.

1.2.5. We reserve the right to modify, amend, supplement, or cancel any or all Security Procedures, and/or to cancel or replace any Security Device, at any time and from time to time in our discretion. We will endeavor to give you reasonable notice of any change in Security Procedures; provided that we may make any change in Security Procedures without advance notice to you if we, in our judgment and discretion, believe such change to be necessary or desirable to protect the security of our systems and assets. Your implementation and use of any changed Security Procedures after any change in Security Procedures shall constitute your agreement to the change and your

agreement that the applicable Security Procedures, as changed, are commercially reasonable and adequate for the purposes intended.

1.3. Access.

Services are generally accessible 24 hours a day, seven days a week, except that the Services may be inaccessible from time to time for system maintenance or connectivity or system interruptions outside of the reasonable control of Financial Institution. We are not liable under this Agreement or any applicable Service Agreement for failure to provide access due to a system failure or due to other unforeseen circumstances. We may modify, suspend, or terminate access to the Services at any time and for any reason without notice or refund of fees you have paid. The Financial Institution may change the terms and conditions of this Agreement or any applicable Service Agreement from time to time to conform with changes or advancements in our services, or as required by law or regulation. All such changes will be made according to the procedures outlined in Article VIII. Use of any Service after the effective date of such changes will constitute your consent to the changes.

1.4. Hardware Requirements.

You acknowledge that you are responsible for selecting and providing a computer or mobile device with the necessary Internet capabilities (the "Hardware") in order to access the Services. You are and will remain solely responsible for the purchase, hookup, installation, loading, operation and maintenance of the Hardware, Software, and the Internet access service to your Hardware, and for all related costs. You are solely responsible for virus protection and maintenance of your Hardware. Financial Institution shall have no responsibility for failures, interruption or other defects in the Services, which are occasioned by incompatible, improperly installed or improperly maintained Hardware or Software. The Financial Institution may add to, modify, or replace software programs used in conjunction with providing the Services under this Agreement or any applicable Service Agreement at its sole discretion and without notice. From time to time the Financial Institution may deem it necessary to hold training or retraining classes for you. For Business Online Banking, you agree that you will require appropriate personnel to participate in such training. You may be charged data or messaging fees by your mobile devices provider. Not all Online Services may be available on all types of Hardware.

Article II. Online Access Services.

2.1. Available Services.

Information about available services through Online Banking may be obtained from our website at www.cbibt.com, as may be modified from time to time. By using the Services when they become available, you agree to be bound by the terms and conditions contained in this Agreement or separate agreements covering these Services.

2.2. Restrictions; Limits.

In most cases you may use the Services to gain access to Eligible Accounts in which you have an unrestricted right to withdraw funds. However, the Financial Institution, as it may determine at any time and from time to time in its sole discretion, may deny Online Banking account access, restrict Online Banking account transactions, or place limits on the specific dollar amount of funds that may be withdrawn or transferred from any account without advance notice to you.

2.3. Vendor

You acknowledge and agree that the Service may be provided by an independent third party service provider ("Vendor") as selected by Financial Institution, and that both the Vendor and the Service are subject to change from time to time without notice to you. You further acknowledge, agree, and stipulate that the Vendor is an independent contractor providing software and data transmission services and is not the agent of you or Financial Institution. Neither the Financial Institution nor the Vendor is responsible for the actions or omissions of the other.

Article III. Additional Information about the Services.

3.1. Account Access.

Transfers and Payments made via the Service from your Account will be deducted on the date you instruct us to process them. If the date you schedule a Transfer or Payment falls on a weekend or holiday, we will process your transaction the next Transfer Day. We may refuse to act on your Transfer instructions or Payment request if sufficient funds, including funds available under any overdraft protection plan, are not available in your Account on the date you want us to make the Transfer or Payment.

3.2. Processing Fund Transfers.

We can process a Transfer until 7:00 p.m., Central Time (Standard or Daylight) on a Transfer Day. If you request a Transfer after the cutoff time, the Transfer will be processed the following Transfer Day. You are fully obligated to us to provide sufficient funds for any Payments or Transfers you make or authorize to be made. If we complete a Payment or Transfer that you make or authorize and we subsequently learn that you have insufficient funds for the transaction, you agree that we may reverse the transaction or offset the shortage with funds from any other deposit account(s) you have with us to the extent permissible by 3

the applicable law and the terms of any other relevant agreements. If there are insufficient funds in your Account to make a Transfer or Payment, we may refuse to make the Transfer or Payment or we may make the Transfer or Payment and overdraw your Account. In either event, you are responsible for any non-sufficient funds ("NSF") charges that may apply.

3.3. Canceling Transfers or Payments.

You may cancel a pending Transfer or Payment transaction. However, to do so, we must receive your instruction to cancel prior to the cutoff time on the Transfer Day the transaction is scheduled to be processed. If we don't receive your instruction to cancel a transaction before that time, we may process the transaction.

3.4. Transfer(s) from Savings/Money Market Deposit Accounts.

Federal regulations require us to limit, either by contract or in practice, the number of certain types of transfers from savings and money market deposit Accounts.

3.5. Paperless Statements (eStatements).

If your Hardware has the necessary capabilities, you may enroll in eStatements and waive the mailing of your periodic paper statements by following the instructions to opt-in by use of the Services.

Necessary capabilities to utilize this service, you will need to ensure that your computer meets the basic system requirements of: a) connectivity to the Internet; b) functioning Internet browser software such as Microsoft® Edge®, Mozilla Firefox®, or Apple® Safari®, or Google Chrome®, with a minimum of 256 bit encryption; and c) a valid email address, and the ability to send and receive email messages; d) Adobe Reader® is required to view PDF files. This is a free program available from the Adobe® web site. Follow the download directions on the Adobe® web site to get your copy of Adobe Reader®. These specifications are fairly standard for most online banking programs.

A printer is also required if you want to print and retain paper copies of your statements. Upon enrollment, you will no longer receive paper statements for your account and your future account statements will end on the last day of each month. After your statement is available to you, you will receive an email message at the address you have provided to us. This message will notify you that your statement is available for viewing and retrieval at our secure online banking site, and it will also include any applicable legal and regulatory notices. Images of your cancelled checks from your current and your last statement cycle, if available, can also be accessed, viewed and retrieved through this site.

It will be incumbent upon you to visit our secure online banking site if you wish to view and/or retrieve your statements. It will also be your responsibility to notify us promptly of any change in your email address.

Under normal circumstances, statements may be accessed online for a period of no more than twenty-four (24) months, or in the event that an Account was opened more recently than two years ago, from the date the account was opened. Cancelled check images may be accessed online from your current and your last statement cycle. Access to cancelled check images will also be limited on an item-by-item basis to those checks which are returned to us through the banking system in either paper or electronic image format, which in turn will enable us to provide you with an item image. You will still have the option to request a paper statement or a cancelled check copy directly from the bank. Additional fees may apply.

You may un-enroll in eStatements and resume the mailing of your periodic paper statements by following the instructions to opt-out by use of the Services. For some types of accounts, fees or charges may apply for paper statements.

3.6. E-Mails.

The Financial Institution will not immediately review e-mail that you send. Therefore, you should not rely on e-mail if you need to communicate to the Financial Institution immediately. For example, if you need to stop payment on a check, to report a lost or stolen card, or to report an unauthorized transaction from one of your accounts, you should contact the Financial Institution immediately by calling (563)263-3131. The Financial Institution will not take actions based on your e-mail requests until the Financial Institution actually reviews your message and has a reasonable opportunity to act.

3.7. Overdrafts: Order of Payments, Transfers, and Other Withdrawals.

If funds are withdrawn from any of your accounts by means of electronic funds transfers, other than through Online Banking on the same business day as an Online Banking transaction, and if the account contains insufficient funds to enable both the electronic funds transfer and the Online Banking transfer to be made, then the electronic funds transfer will have priority and the Online Banking transfer will be refused or will result in an overdraft on your account. This is at the Financial Institution's sole discretion.

3.8. Bill Payment Service.

You can arrange, at your option, for the payment of your current, future and recurring bills from your designated Bill Pay Account. For Bill Payment Service, your Payee list may include utility companies, merchants, financial institutions, insurance companies, individuals, etc. within the United States whom you wish to pay through Bill Payment Service. You must include the full name of the Payee and a complete mailing address and telephone number for each Payee, along with your account number with the Payee, the amount of the Payment, and whether the Payment is recurring. The Financial Institution reserves the right to decline to make Payments to certain persons and entities. You agree that any Payment for taxes, Payments that are court-ordered, government payments and Payments outside of the United States are prohibited and you agree that you will not attempt to use the Service to make these types of Payments. On recurring Payments, it is the responsibility of you or your designated authorized users to update Payee account information as necessary to ensure receipt of payment. Payments are posted against your ledger balance, plus the available credit on your overdraft protection, if any, or other line of credit.

3.8.1. You may schedule Payments to be initiated on a future date, or on the same date of each month. If the transaction shows an In Process status, then the Payment cannot be modified or deleted. Although you can enter Payment information through the Service twenty-four (24) hours a day, seven (7) days a week, the Financial Institution only initiates a Payment on Business Days. Funds must be available in your Account on the scheduled payment date. We may make the Payment either by transferring funds electronically to the Payee or by mailing the Payee a check. Funds will be deducted from your Account on the same Business Day for Electronic Payments. Payments made by check will be deducted from your Account when the check clears your Account. If you direct the initiation of a Payment to occur on a day other than a Business Day, it will be initiated on the following Business Day. The Bill Payment Service will indicate whether a Payee is paid electronically or by check. When you create a new Payee in the Bill Payment service, it has a temporary status until we have had sufficient time to set up the account, and for your business Payees, to verify information about your account. You should schedule a Payment to a new Payee at least five (5) Business Days before any Payment due date, to allow us time to set up the Payee and verify information about your account with the Payee. Financial Institution is not liable for any service fees or late charges levied against you due to postal delays or processing delays by the Payee. There is no limit on the number of Payees or number of Payments that may be authorized. The maximum per Payment amount is \$9,999.99 for check Payments and the minimum per Payment amount is \$0.01; provided, that the Financial Institution may change these limits from time to time, in its sole discretion, without notice to you. Electronic Payments are subject to the availability of sufficient funds in the designated checking Account. For all subsequent Payments, you agree to allow at least three (3) Business Days for Electronic Payments and at least five (5) Business Days for check Payments between the date you schedule a Payment to be initiated and the Payment due date (that is, the due date shown on your invoice or provided in your agreement with the Payee, not taking into account any applicable grace period). In no event will Financial Institution be responsible for any late fees, finance charges or other actions taken by the Payee, regardless of when you initiate the Payment. When you schedule a Bill Payment that will be made by check, you authorize us to issue a check drawn on your qualified designated checking Account for the requested amount. If sufficient funds are not available in your designated Account when the check is presented for payment, we may refuse to honor the check and return it unpaid. At our sole discretion, we may elect to pay the check regardless of the insufficient funds. In either event, your qualified designated Account will be charged our then current fee for processing insufficient items, whether the check is paid or returned, as applicable. You are responsible for any loss or penalty that you may incur due to a lack of sufficient funds or other conditions that may prevent the withdrawal of funds from your Account.

3.8.2. If Payment is to be made electronically and your Account does not have sufficient funds to make a Payment as of the date the transfer or Payment is attempted or scheduled to be made, the Transfer or Payment may be canceled and no further attempt will be made by Financial Institution to make the Transfer or Payment or notify you. Financial Institution shall have no obligation or liability if it does not complete a Transfer or Payment because there are insufficient funds in your account to process a transaction. In all cases, you are responsible for either making alternate arrangements for the Payment or rescheduling the Payment through the Service. In the case of the Financial Institution canceling an electronic item, all scheduled payments will be canceled.

3.8.3. Recurring Payments and Transfers are those made for the same amount, on the same date, on a weekly, bi-monthly, monthly basis, etc. Once started, recurring Payments and Transfers will be made automatically until you delete the Payment or Transfer or upon expiration. If the Payment is not a recurring Payment, it will be a "one-time Payment." One-time Payments do not recur and are not made until you enter the Payee and amount of the current bill and submit the Payment. A recurring Bill Payment Service transaction that you want deleted must be deleted or the next Payment date changed five (5) Business Days before the current transaction date. A stop payment cannot be placed on an Electronic Bill Payment transaction once issued. However, a stop payment can be placed on a Bill Payment transaction by Bill Payment check any time prior to 4:00 p.m. Central Time on the day such check is scheduled for final payment. There is no fee for deleting an electronic Payment initiated through Bill Payment; however a fee will apply for a stop on a Bill Payment check. In the event a Payment is returned to us for any reason,

you authorize us, in our sole and absolute discretion, to both research and correct the Payment information or to void the Payment and re-credit your Account.

Article IV. Limitations.

Your use of these Services is subject to the following limitations:

4.1. Dollar Amount.

There may be a limit on the dollar amount of the transactions you can make using these Services, and these limits are subject to change, without notice to you, from time to time. Payment can only be made with U.S. currency.

4.2. Frequency.

No Payments may be made to Payees outside the United States.

Article V. Parties' Responsibilities.

5.1. Your responsibility.

5.1.1 Physical and Electronic Security. You are solely responsible for providing for and maintaining the physical, electronic, procedural, administrative, and technical security of data and systems in your possession or under your control. We are not responsible for any computer viruses (including, without limitation, programs commonly referred to as "malware," "keystroke loggers," and/or "spyware"), problems or malfunctions resulting from any computer viruses, or any related problems that may be associated with the use of an online system. Any material downloaded or otherwise obtained is obtained at your own discretion and risk, and Financial Institution is not responsible for any damage to your Hardware, Software, or operating systems or for loss of data that results from the download of any such material, whether due to any computer virus or otherwise. You are solely responsible for maintaining and applying anti-virus software, security patches, firewalls, and other security measures with respect to your operating systems, and for protecting, securing, and backing up any data and information stored in or on your operating systems. Financial Institution is not responsible for any errors or failures resulting from defects in or malfunctions of any Software installed on your operating systems.

5.1.2. You acknowledge and agree that it is your responsibility to protect yourself and to be vigilant against e-mail fraud and other internet frauds and schemes (including, without limitation, fraud commonly referred to as "phishing" or "pharming"). You agree to educate your representative(s), agents, Users, Subusers, and employees as to the risks of such fraud and to train such persons to avoid such risks. You acknowledge that Financial Institution will never contact you by e-mail in order to ask for or to verify Account numbers, Security Devices, or any sensitive or confidential information. In the event you receive an e-mail or other electronic communication that you believe, or have reason to believe, is fraudulent, you agree that you shall not open or respond to the e-mail, provide any information to the e-mail sender, click on any links in the e-mail, download or open any attachments, or otherwise comply with any instructions in the e-mail. To the extent allowed by law, you agree that Financial Institution is not responsible for any losses, injuries, or harm incurred by you as a result of any electronic, e-mail, or internet fraud.

5.1.3. In the event of a breach of any Security Procedure, you agree to assist Financial Institution in determining the manner and source of the breach. Such assistance shall include, but shall not be limited to, providing Financial Institution or Financial Institution's agent access to your Hardware, Software, hard drive, storage media and devices, systems and any other equipment or device that was used in connection with the breach of the Security Procedure. You further agree to provide to Financial Institution any analysis of such equipment, device, or software or any report of such analysis performed by you, your agents, law enforcement agencies, or any other third party. Your failure to assist Financial Institution shall be an admission by you that the breach of the Security Procedure was caused by a person who obtained access to your transmitting facilities or who obtained information facilitating the breach of the Security Procedure from you and not from a source controlled by Financial Institution.

5.1.4. Reporting Unauthorized Transactions. You should notify us immediately if you believe your Access Codes or any Access Devices have been lost or stolen, that someone has gained access to the Security Procedure, or that someone has transferred or may transfer money from your Account without your permission or if you suspect any

fraudulent activity on your Account. To notify us, call us at the number provided in Section 9.6 between 8:00 a.m. to 4:30 p.m. Central Time during a Business Day.

5.1.5 Duty to Inspect. You shall regularly inspect all transaction history, reports, journals, and other material evidencing the activity of the Services. You must report all errors to the Financial Institution by the close of business on the banking day following the day on which the Service(s) is rendered. You must report all other errors within a reasonable time not to exceed thirty (30) days from the date that the error is made. Failure of you to promptly report errors within such specified time shall preclude you from asserting against the Financial Institution any claims arising from the error or any loss caused by the error.

5.1.6. Financial Information. Financial Institution may from time to time request information from you in order to evaluate a continuation of the Service(s) to be provided by Financial Institution hereunder and/or adjustment of any limits set by this Agreement or any applicable Service Agreement. You agree to provide the requested financial information immediately upon request by Financial Institution, in the form required by Financial Institution. If you refuse to provide the requested financial information, or if Financial Institution concludes in its sole discretion that the credit risk of continuing to offer the Services to you is unacceptable, Financial Institution may terminate the Services according to the provisions hereof. You authorize Financial Institution to investigate or reinvestigate at any time any information provided by you in connection with this Agreement or any applicable Service Agreement or any Services and to request reports from credit bureaus and reporting agencies for such purpose.

5.1.7. Deadlines. You shall deliver or transmit all data or information to Financial Institution by the deadline(s) specified in this Agreement or any applicable Service Agreement and the Operating Instructions (as defined in section 5.1.9, below). Financial Institution shall have no obligation to process data or perform the Service if the data is not received by the Financial Institution by the specified deadline.

5.1.8. Payment for Services.

.1. You agree to pay Financial Institution the fees established by Financial Institution for rendering the Services under the terms of this Agreement or any applicable Service Agreement. Once you have subscribed, you will be charged the applicable fee(s) whether or not you use Online Banking.

.2. The Financial Institution may change or add any fees for Online Banking by the procedures outlined in Article VIII for amending this Agreement. Fees charged for Online Banking under this Agreement are in addition to any service charges or fees that apply to your Accounts with us.

.3. You authorize the Financial Institution to deduct all applicable Monthly Fees from any Account enrolled in Online Banking. If you close the Account(s) associated with the Service, Fees may be deducted from any other Account you maintain with us or any of our affiliates. Furthermore, Financial Institution may setoff against any amount it owes to you in order to obtain payment of your obligations under this Agreement or any applicable Service Agreement.

.4. In addition to the Service fees, you agree to pay for all taxes, tariffs and assessments levied or imposed by any government agency in connection with the Service, this Agreement, and/or the software or equipment made available to you (excluding any income tax payable by Financial Institution). You are also responsible for the costs of any communication lines and any data processing charges payable to third parties.

5.1.9. Required Deposit Balance. You agree to maintain the minimum collected balance ("Required Deposit Balance") in the amount and in the account specified in the Service Agreement establishing the terms and conditions of the specific Services selected by you and the set of detailed instructions ("Operating Instructions") establishing the procedures and operating instructions governing the Service.

5.1.10. Data and Information Supplied by You. You shall transmit or deliver data and other information in the format and on the media as provided for in the Service Agreement and the Operating Instructions if applicable or as otherwise required by the Financial Institution in conjunction with rendering the Service(s) selected by you. You shall have the sole responsibility of ensuring the accuracy and correctness of the data transmitted. You acknowledge and agree that Financial Institution shall not be required to examine the data for correctness and the Financial Institution shall not have any responsibility for detecting errors in the data transmitted by you. The data transmitted by you must be legible, correct and complete. Financial Institution shall not process, and Financial Institution shall not be liable to you for failure to process, the data if it is not in the format specified by Financial Institution or if the data is incomplete. Financial Institution shall not be liable for errors or omissions caused by data that is rejected as the result of your failure to provide the data in accordance with the standards specified in the Agreement or any applicable Service Agreement and the Operating Instructions.

5.1.11. Remotely Created Checks. If you use a Service wherein you create or deposit a Remotely Created Check, as that term is defined in Federal Reserve Board Regulation CC, you warrant to Financial Institution that the person on whose account the Remotely Created Check is drawn authorized the issuance of the check in the amount stated on the check and to the payee stated on the check.

5.1.12. Use of Services. You will use the Services only for your use in accordance with the terms of this Agreement. Without limiting the generality of the foregoing, you agree not to make the Services available or allow use of the

Services in a computer bureau service business, timesharing, or otherwise disclose or allow use of the Service by or for the benefit of any third party.

5.2 The Financial Institution's Responsibilities.

Financial Institution agrees to use ordinary care in rendering Services under this Agreement and any applicable Service Agreement. You recognize and agree that ordinary care does not mean error free. You agree to pay all attorneys' fees, costs and expenses Financial Institution may incur in collecting any sums you owe to Financial Institution for overdrafts, service charges or otherwise or in enforcing any rights Financial Institution may have under the terms of this Agreement and any applicable Service Agreement or applicable law, rule or regulation applicable to your Account(s) or the Services rendered by Financial Institution under this Agreement and any applicable Service Agreement. You also agree to pay all attorneys' fees, costs and expenses that Financial Institution may incur as the result of defending any claim or action made against Financial Institution by you, or on your behalf where Financial Institution is found not to be liable for such claim. In no event shall Financial Institution be liable to you for attorneys' fees incurred by you in any action brought by you against Financial Institution.

5.2.1. Our sole responsibility for an error in a transfer will be to use commercially reasonable efforts to correct the error.

Electronic Fund Transfers Initiated By Third Parties. You may authorize a third party to initiate electronic fund transfers between your account and the third party's account. These transfers to make or receive payment may be onetime occurrences or may recur as directed by you. These transfers may use the Automated Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. For example, your authorization to convert a check to an electronic fund transfer or to electronically pay a returned check charge can occur when a merchant provides you with notice and you go forward with the transaction (typically, at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third party transfers will require you to provide the third party with your account number and bank information. This information can be found on your check as well as on a deposit or withdrawal slip. Thus, you should only provide your bank and account information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers. Call or write us at the telephone number or address listed in this disclosure in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. We will charge you \$15.00 for each stop-payment order you give.
- **Notice of varying amounts.** If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)
- **Liability for failure to stop payment of preauthorized transfer.** If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

FINANCIAL INSTITUTION'S LIABILITY

Liability for failure to make transfers. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- (1) If, through no fault of ours, you do not have enough money in your account to make the transfer.
- (2) If you have an overdraft line and the transfer would go over the credit limit.
- (3) If the automated teller machine where you are making the transfer does not have enough cash.
- (4) If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- (5) If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- (6) There may be other exceptions stated in our agreement with you.

CONFIDENTIALITY

We will disclose information to third parties about your account or the transfers you make:

- (1) where it is necessary for completing transfers; or
- (2) in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
- (3) in order to comply with government agency or court orders; or
- (4) as explained in the separate Privacy Disclosure; or
- (5) if you give us written permission.

UNAUTHORIZED TRANSFERS

- (a) Consumer liability.** Tell us AT ONCE if you believe your card and/or code has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the

best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit).

If you tell us within 2 business days after you learn of the loss or theft of your card and/or code, you can lose no more than \$50 if someone used your card and/or code without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your card and/or code, and we can prove we could have stopped someone from using your card and/or code without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

- (b) Contact in event of unauthorized transfer.** If you believe your card and/or code has been lost or stolen, call or write us at the telephone number or address listed in this disclosure. You should also call the number or write to the address listed in this disclosure if you believe a transfer has been made using the information from your check without your permission.

ERROR RESOLUTION NOTICE

In Case of Errors or Questions About Your Electronic Transfers, Call or Write us at the telephone number or address listed in this disclosure, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- (1)** Tell us your name and account number (if any).
- (2)** Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- (3)** Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has an established account with us before this account is opened.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.

NOTICE OF ATM/NIGHT DEPOSIT

FACILITY USER PRECAUTIONS

As with all financial transactions, please exercise discretion when using an automated teller machine (ATM) or night deposit facility. For your own safety, be careful. The following suggestions may be helpful.

1. Prepare for your transactions at home (for instance, by filling out a deposit slip) to minimize your time at the ATM or night deposit facility.
2. Mark each transaction in your account record, but not while at the ATM or night deposit facility. Always save your ATM receipts. Don't leave them at the ATM or night deposit facility because they may contain important account information.
3. Compare your records with the account statements or account histories that you receive.
4. Don't lend your ATM card to anyone.
5. Remember, do not leave your card at the ATM. Do not leave any documents at a night deposit facility.

6. Protect the secrecy of your Personal Identification Number (PIN). Protect your ATM card as though it were cash. Don't tell anyone your PIN. Don't give anyone information regarding your ATM card or PIN over the telephone. Never enter your PIN in any ATM that does not look genuine, has been modified, has a suspicious device attached, or is operating in a suspicious manner. Don't write your PIN where it can be discovered. For example, don't keep a note of your PIN in your wallet or purse.
7. Prevent others from seeing you enter your PIN by using your body to shield their view.
8. If you lose your ATM card or if it is stolen, promptly notify us. You should consult the other disclosures you have received about electronic fund transfers for additional information about what to do if your card is lost or stolen.
9. When you make a transaction, be aware of your surroundings. Look out for suspicious activity near the ATM or night deposit facility, particularly if it is after sunset. At night, be sure that the facility (including the parking area and walkways) is well lighted. Consider having someone accompany you when you use the facility, especially after sunset. If you observe any problem, go to another ATM or night deposit facility.
10. Don't accept assistance from anyone you don't know when using an ATM or night deposit facility.
11. If you notice anything suspicious or if any other problem arises after you have begun an ATM transaction, you may want to cancel the transaction, pocket your card and leave. You might consider using another ATM or coming back later.
12. Don't display your cash; pocket it as soon as the ATM transaction is completed and count the cash later when you are in the safety of your own car, home, or other secure surrounding.
13. At a drive-up facility, make sure all the car doors are locked and all of the windows are rolled up, except the driver's window. Keep the engine running and remain alert to your surroundings.
14. We want the ATM and night deposit facility to be safe and convenient for you. Therefore, please tell us if you know of any problem with a facility. For instance, let us know if a light is not working or there is any damage to a facility. Please report any suspicious activity or crimes to both the operator of the facility and the local law enforcement officials immediately.

MasterCard Debit Card. Additional Limits on Liability for any PIN-based ATM or POS transactions - You will not be liable for any unauthorized transactions using your MasterCard debit card if: (i) you can demonstrate that you have exercised reasonable care in safeguarding your card from the risk of loss or theft, and (ii) upon becoming aware of a loss or theft, you promptly report the loss or theft to us. This additional limit on liability does not apply to a prepaid card until such time as the prepaid card is registered with us and we have completed our customer identification program requirements. MOBILE CHECK DEPOSIT SERVICES AGREEMENT

This Mobile Check Deposit Services Agreement (this "Agreement") governs the terms of CBI Bank & Trust's ("Bank") consumer Mobile Check Deposit service, which the Bank refers to in this Agreement as "Mobile Check Deposit," the "Service," or "Remote Banking Service." The Bank customer ("Customer") enrolling in Mobile Check Deposit agrees to comply with and be bound by this Agreement. An individual enrolling in Mobile Check Deposit on behalf of a Customer that is a corporation, partnership, limited liability company, trust or other entity or association represents that he or she is authorized on behalf of the Customer to enroll in Mobile Check Deposit, enter into this Agreement and deposit Original Checks into the Customer's Account using Mobile Check Deposit.

Scope of Agreement. Mobile Check Deposit is designed to allow a Customer to make deposits of original, paper negotiable demand drafts ("Original Checks") to Customer's deposit account at the Bank ("Account") in accordance with the Check Clearing for the 21st Century Act ("Check 21 Act") and Federal Reserve Board Regulation CC ("Regulation CC"). Customer agrees that the Bank shall determine, at its sole discretion, the manner in which checks are cleared or presented for payment, including without limitation, by substitute check, Automated Clearing House, or image exchange. If Customer has more than one Account, Mobile Check Deposit will require Customer to select the Account to which each deposit is being made. Customer can make deposits using Mobile Check Deposit from remote locations by scanning the Original Checks and delivering the digital images and associated deposit information ("Images") to the Bank or its service provider with Customer's compatible and supported camera-enabled mobile phone or other device that meets the Bank's required standards ("Mobile Device").

The terms and conditions of this Agreement are in addition to, and do not cancel, supersede, or replace Customer's application to use the Service, the Bank's notification of approval of the application, or any other agreements, rules, disclosures, procedures, standards, policies, or signature cards relating to Customer's deposits, loans, services, or other business relationships with the Bank. Additionally, Customer's use of the Mobile Check Deposit service is subject to all of 18

the terms or instructions that may appear on-screen when Customer accesses the Mobile Check Deposit service, or in user guides, or in other information or documentation that Bank may provide to Customer from time to time. Customer's use of the Remote Banking Service also is subject to, and Customer agrees to comply with, the applicable rules and regulations of the National Automated Clearing House Association, the Account Agreement (as defined below), and all other applicable clearing house rules, regulations, operating circulars, and agreements, the Check 21 Act, Regulation CC, and all other applicable federal, state, or local laws and regulations, as amended from time to time (collectively "Applicable Law").

General Requirements. In order to use Mobile Check Deposit, Customer must:

- Maintain an Account;
- Download and install the latest version of the Bank's mobile banking application to Customer's Mobile Device;
- Use a Mobile Device that has camera functionality;
- Use a Mobile Device that is enabled to receive and transmit data through a mobile carrier service data plan, wireless Internet connection or similar source; and
- Be a registered Online Banking user and be enrolled in the Bank's mobile banking.

To deposit an Original Check using Mobile Check Deposit, all endorsements must be made on the back of the Original Checks within 1 inch from the top edge, although the Bank may accept endorsements outside this space. For Accounts used primarily for personal, family or household purposes ("Consumer Accounts"), the endorsement must include Customer's signature and the words "for Mobile Check Deposit only." For Accounts used primarily for business purposes ("Business Accounts"), the endorsement must include Customer's authorized signer's signatures and the words "for Mobile Check Deposit only." Any loss the Bank incurs from a delay or processing error resulting from an irregular endorsement or other markings will be Customer's responsibility.

For deposits to a Consumer Account, an Original Check may be payable jointly to Customer and a joint owner of the Consumer Account. An Original Check payable to Customer and a joint owner of a Consumer Account must be endorsed by both payees. Additionally, for deposits to a Consumer Account, an Original Check may be payable to either Customer or a joint owner of the Consumer Account. An Original Check payable to Customer or a joint owner of a Consumer Account must be endorsed by at least one of the two payees.

For deposits to a Business Account, an Original Check must be payable to the Customer only. Customer agrees that any individual endorsing an Original Check to be deposited to a Business Account will be an authorized signer on the Business Account and otherwise authorized to endorse items on behalf of Customer. Customer understands and acknowledges that all endorsements by Customer's authorized signers are valid even if the agency relationship is not indicated on the Original Check or Image. The Bank has no duty to inspect the Image to confirm that two or more authorized signers have endorsed the Original Check.

Requirements for Images of Original Checks. Each Image must provide all information on the front and back of the Original Check at the time it was presented to Customer by the drawer, including, but not limited to, information about the drawer and the paying bank that is preprinted on the Original Check, MICR information, signature(s), any required identification written on the front of the Original Check and any endorsements applied to the back of the Original Check. The Image quality must meet the standards established by the American National Standards Institute ("ANSI"), the Board of Governors of the Federal Reserve ("Federal Reserve"), and any other regulatory agency, clearing house or association involved in the processing of the Original Checks and Images ("Applicable Standards").

Eligible items. Customer agrees to use Mobile Check Deposit only to scan and deposit Original Checks that:

- Are drawn on a financial institution located in the United States and payable in US dollars;
- Are made payable to Customer or, for a Consumer Account only, are made payable to Customer and/or a joint owner on the Account to which Customer is depositing the Original Check;
- Contain all endorsements applied by the parties that handled the Original Check; and
- Contain only authorized and authentic signatures.

Customer agrees that the Service will NOT be used to deposit any item that:

- Is not payable to Customer in the first instance (i.e., payable to another person or entity and then endorsed to Customer);
- Is payable to Customer and/or another person or entity if the item is being deposited to a Business Account;
- Is payable to Customer and/or another person or entity other than a joint owner on the Consumer Account to which Customer is depositing the Original Check;
- Is counterfeit or altered, contains evidence of alteration, or that Customer knows or suspects, or should know or suspect, are counterfeit, altered, fraudulent or otherwise not authorized by the owner of the account on which the check is drawn;
- Is more than six months old or made payable at some point in the future;
- Is payable in some currency other than US dollars or drawn on a financial institution located outside of the United States;
- Has previously been deposited with any financial institution;
- Is not an Original Check.

Limits. The Bank has established limits on the dollar amount of items that Customer can deposit using Mobile Check Deposit. Currently, deposit limits for Accounts are \$5,000 per Original Check / \$5,000 per day / \$50,000 rolling 30-day limit. The Bank may change these deposit limits from time to time. The Bank will notify Customer of any changes in accordance with this Agreement. Additionally, the Bank may establish limits on the number of Original Checks that Customer may deposit using Mobile Check Deposit. If the Bank establishes such additional limits, the Bank will notify Customer in accordance with this Agreement. If Customer attempts to initiate a deposit in excess of any applicable limit, the Bank may reject the deposit. If the Bank permits Customer to make a deposit in excess of an applicable limit, such deposit will still be subject to the terms of this Agreement and the Bank will not be obligated to allow any deposit that does not comply with an applicable limit at any other time.

Fees. Customer agrees to pay all fees and charges that the Bank may impose for the Bank Mobile Check Deposit. Customer agrees that the Bank may deduct such fees and charges from any of Customer's Accounts. The current Schedule of Fees and Charges is attached as Exhibit A. The Bank may change its fees and charges for Mobile Check Deposit by providing Customer notice in accordance with this Agreement.

Mobile Check Deposit Security. Customer will complete each deposit promptly. If Customer is unable to complete a deposit promptly, Customer will ensure that the Mobile Device remains securely in Customer's possession until the deposit has been completed. It is Customer's responsibility to establish and maintain procedures to safeguard against unauthorized deposits. Customer will notify the Bank immediately by telephone at 1-563-263-3131 if Customer learns of any loss or theft of Original Checks or any attempt to resend or re-deposit Images. The Bank may require Customer to provide additional notice in writing.

Customer will ensure the safety and integrity of Original Checks from the time of receipt until the time of destruction. If warranted in the Bank's reasonable judgment, it may audit and monitor Customer, and Customer agrees to cooperate with the Bank to permit such monitoring, to confirm that Customer's obligations under this Agreement have been satisfied.

Customer is solely responsible for the quality, completeness, accuracy, validity, and integrity of all Images. Customer is solely responsible if, intentionally or unintentionally, Customer submits fraudulent, incorrect, or illegible Images to the Bank or if the Service is used by authorized or unauthorized persons to submit fraudulent, unauthorized, inaccurate, incorrect, or otherwise improper or unusable images to the Bank.

Customer agrees that the security procedures that the Bank uses in connection with Mobile Check Deposit are commercially reasonable and suitable for Customer's intended use of the Service.

Authentication Method. Customer agrees that the Bank is entitled to act upon instructions received with respect to a Mobile Check Deposit entered under Customer's user identification, password, test key, or other code or authorization (collectively "Authentication Method"). Customer is liable for all transactions made or authorized with the use of Customer's Authentication Method. Customer agrees to indemnify and release the Bank from any and all liability relating to any actions or transactions conducted under Customer's Authentication Method. By accessing Mobile Check Deposit, Customer authorizes the Bank to complete the required transactions. Any requests or instructions received by the Bank through Mobile Check Deposit under Customer's Authentication Method shall be deemed to be "in writing" under the Applicable Law and shall have the same force and effect as a writing signed by

Customer.

Receipt of Deposit. Each Image processed for deposit through Mobile Check Deposit will be treated as a “deposit” under the agreements governing Customer’s Account (“Account Agreement”) and will be subject to all terms of the Account Agreement. Any confirmation from the Bank that it has received an Image does not mean that the Image is free of errors. The Bank is not responsible for any Image that it does not receive.

Following receipt, the Bank may process the Image by preparing a Substitute Check (as that term is defined in Regulation CC, 12 CFR 229), or clearing the item as an Automated Clearing House item.

The Bank reserves the right, at its sole and absolute discretion, to reject any Image. A rejected Image will not be deposited to Customer’s Account. The Bank will notify Customer of rejected Images.

Retention of Original Checks. After Customer receives confirmation that the Bank has received an Image and Customer receives full credit for the deposit of the Image, Customer must destroy the Original Check by first marking it “VOID” and then destroying it by cross-cut shredding or another commercially acceptable means of destruction. Destroying the Original Check prevents it from being presented for deposit another time. After destruction of an Original Check, the Image will be the sole evidence of the Original Check.

Customer agrees to never re-present an Original Check or any copy or Image of an Original Check to the Bank or any other financial institution. Customer understands that Customer is responsible if anyone is asked to make a payment based on an Original Check, Image or other item that has already been paid.

Returned Deposits. Any credit to Customer’s Account for Original Checks deposited using Mobile Check Deposit is provisional. If Original Checks deposited through the Bank’s Mobile Check Deposit are dishonored, rejected, or otherwise returned unpaid by the paying bank, or are rejected or returned by a clearing agent or collecting bank, for any reason, including, but not limited to, issues relating to the quality of the Image, Customer agrees that an Original Check will not be returned to Customer, but that the Bank may charge back the amount of the Original Check and provide Customer with an Image of the Original Check, a paper reproduction of the Original Check, or a Substitute Check (as defined in the Check 21 Act). Customer will reimburse the Bank for all losses, costs, damages, or expenses caused by or relating to the processing of the returned item. Without the Bank’s approval, Customer shall not attempt to deposit or otherwise negotiate an Original Check or any copy of an Original Check (including a Substitute Check) if the Original Check has been charged back to Customer.

The Bank may debit any of Customer’s Accounts to obtain payment for any item that has been rejected or returned, for any adjustment related to such item or for any warranty claim related to such item, whether or not the rejection, return, adjustment or warranty claim was made timely.

Warranties Regarding Original Checks and Images. Customer makes the following warranties and representations with respect to each Image and the related Original Check deposited using Mobile Check Deposit:
